TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Rye in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Rye on Tuesday the fourteenth day of March, next, at ten o'clock in the forenoon, to vote upon the following subject:

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. To choose all necessary officers for the Rye School District in accordance with the statutory procedure adopted by said District at its March 1962 annual meeting.

Article 3. On the petition of Henry J. Cavaretta and eleven others to see if the Town will vote to rezone from single residence to commercial district a parcel of land on Lafayette Road owned by the above named petitioner and described as follows; said land lies on the easterly side of Lafayette Road, having a frontage thereon of three hundred nine (309) feet and is bounded northerly by land of Carpenter; southerly by land of Ham. Rezoning to a depth of three hundred (300) feet is requested. The petitioners are owners of the land adjoining on the east. This petition was approved by the Planning Board after two public hearings were held thereon.

You are hereby further notified to meet at the Rye Junior High School on the above date at eight o'clock in the evening to vote upon the following subjects:

Article 4. To see if the Town will authorize the Selectmen to hire money from the Trustees of Trust Funds.

Article 5. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.

Article 6. To see if the Town will vote to allow five percent discount on all property taxes paid on or before October 1, 1967.

Article 7. To see if the Town will vote to authorize the Selectmen to lease Sawyer's Beach, so called, from the owners for another year.

Article 8. To see if the Town will vote to authorize

the Selectmen to convey, without charge, to the Rye School District that remaining parcel of land upon which certain of the grounds of the Central School, so called, is situated and being the same premises conveyed by deed of George W. Hills, Sarah E. W. Hills, Mary B. White and Elizabeth W. White to the Town of Rye, dated July 7, 1893, and recorded in the Rockingham County Registry of Deeds, Book 538, Page 158.

Article 9. To see if the Town will vote to change the name of that part of "Locke Road" in the Town of Rye, off of Causeway Road and leading into Little Boars Head District in the Town of North Hampton, to "Old Locke Road", to avoid confusion with other roads of the same name in the Towns of Rye, North Hampton and Hampton.

Article 10. To see if the Town will vote to raise and appropriate the sum of one thousand five hundred (\$1,500.00) dollars as a donation from the Town of Rye to the Portsmouth Mental Health Clinic.

Article 11. To see if the Town will vote to raise and appropriate the sum of eleven thousand five hundred (\$11,500.00) dollars to build two tennis courts, to build one warm-up shelter, to install barbecue and clambake facilities and for engineering and planning expenses as recommended by the Recreation Commission. These facilities to be built and installed at the Rye Harbor Reservation.

Article 12. To see if the Town will vote to raise and appropriate the sum of three thousand dollars (\$3,000.00) to erect a picnic shelter at the Rye Harbor Reservation.

Article 13. To see if the Town will vote to raise and appropriate the sum of one thousand seven hundred sixty dollars (\$1,760.00) to provide a director and three assistants to direct a recreation program at the Rye Harbor Reservation for a period of eight weeks.

Article 14. On petition of Robert V. O'Brien and ten others:

To see if the Town of Rye, N. H. will vote to amend or add to the Beach Ordinance approved by the Town at the March 1954 Town Meeting the following:

Between the hours of 9:00 A.M. and 6:00 P.M. from June 1 until Sept. 15 that area of the beach beginning at a culvert extending across Route 1A from so called Eel Pond to the Atlantic Ocean for a distance of 100 yards, southerly along Sawyers Beach so called; and for a distance of 100 yards northerly along Brown's Beach, so called shall be set aside as a

surfing area for the exclusive use of surfboards and that suitable markers be erected designating the area as such. The above designated area may be further identified as lot #1 and part of lot #2 on the Rye Tax Map Plan 18 and part of lot #11, Plan 21.

Article 15. On petition of James J. Cavaretta and nine others:

To see if the Town will vote to accept the following streets:

Oral Lane, so called, running easterly from Sagamore Road one hundred eighty (180) feet, more or less, to Foyes Road so called;

Foyes Road, so called, running southeasterly from Oral Lane three hundred fifty (350) feet, more or less, to Frontier Street so called and

Frontier Street, so called running easterly from Foyes Road four hundred eighty (480) feet, more or less, to land now or formerly of Peter Rabbit Nursery School, Inc., and for such purpose to accept a Warranty Deed from Cavaretta Realty Corporation to the Town of Rye, dated December 12, 1966 conveying said streets to the Town of Rye.

Article 16. To raise and appropriate such sums of money as may be necessary to defray Town charges for the ensuing year.

Article 17. To transact any other business that may legally come before this meeting.

Polls Will Not Close Before Six O'clock P. M.

Business Meeting at eight o'clock P. M.

at the Rye Junior High School Auditorium.

Given under our hand and seal this fifteenth day of February in the year of our Lord nineteen hundred and sixty seven.

(Submitted without Recommendation of the	
Budget Committee)	

Selectmen's Report

To The Inhabitants of Rye, New Hampshire:

As recommended by the Northeast Planning Associates a revision of our zoning laws was made and presented at a special town meeting in May of 1966. The Selectmen felt that the new zoning ordinance gave much more protection to the Town than our original one. Perhaps due to a great deal of misunderstanding the article was defeated. We still feel that we must continue to strengthen our present zoning law if we wish to keep our town attractive and rural. By your vote four of the recommendations made by Northeast Planning Associates have been completed, namely: new school addition, new library addition, surface drainage improvements and access to Rye Harbor Reservation area.

At this date our court case on the incinerator has not as yet reach a final decision. We hope that by town meeting time that this question will be resolved.

The members and officials of the Rye Ambulance Corp deserve a great deal of credit for the fine service they have given the people of the town and for the many hours of training done each year, making them capable of dealing with any emergency regardless of its kind. Without question we have the best volunteer ambulance corps in New England.

Our Memorial Day service was conducted in a manner befitting the day, each organization taking part made it a day to remember. Many thanks to the Rye Veterans of Foreign Wars for a job "well done".

The refinishing of our town hall has been completed down stairs. The change over the past four years has been considerable and we hope now to have the upstairs part of the building cleaned and painted.

We wish to thank the Rye Fire Department Auxiliary for the excellant meals served on our election days and

for the many things they do to keep our Fire Station kitchen in good condition.

We hope to continue to lease the area known as Rye Town Beach for the parking convenience of our property owners and also to reserve some part of the beach for surfing.

The sport has become very popular and we feel we must provide an area somewhere on our beaches. After holding a meeting with parents and members of the surfing club last year, we assigned an area for them near the Perkins Road area. We believe that over all these young people conducted themselves in a reasonable manner, realizing that bathers have a right to the beach area also.

A house bill has been introduced by our representative, Elizabeth A. Greene which will clarify the status of the islands at the Isles of Shoals within the boundaries of the State of New Hampshire assigning them officially within the Town of Rye. The Legislative Act of 1874 failed to define the boundaries of the former Town of Gasport which was annexed to Rye at that time.

During the past year Dr. Walter M. Anderson retired from his duties as Health Officer and the State Board of Health appointed Dr. Sidney R. Baker to serve in this position.

Dr. Robert V. O'Brien resigned from the Planning Board and Mr. Charles V. Tallman has been appointed to fill the vacancy. Mr. Leon H. Valley has been elected to serve as Chairman of the Board.

We wish to take this opportunity to thank the men for the fine work they have done for the benefit of the Town.

Respectfully submitted,
EDWARD L. GREENE,
RALPH F. HAMMOND,
ROBERT B. GOSS,
Selectmen

HUNT'S ACCOUNTING SERVICE

RAELENE L. WHITE,
Town Clerk

Highway Agent's Report

To the Citizens of Rye:

This year we have added to our road drains at a cost of about five thousand dollars. These conditions, in my opinion are due to lack of proper regulations or ordinances to control the grading of land so that water will not run from the land onto the highway. Also, that where there are waterways or culverts that people will not be allowed to stop the flow of water. I feel that the building inspector should give serious thought to the drainage of a lot before a permit is issued. In cases where he has doubts he should be able to view the lot with the Selectmen and have their opinion.

New streets and roads are being built and will continue to be built. At the time of construction these streets may seem to have good drainage but by the time the houses are built and the lots are graded the flow of water has been pushed into the street and we arrive at the same condition we have been paying for, for years.

I feel that if the lot grading in new developments cause drainage problems that the property involved should be assessed for the work and not the whole town. If the Town does not have ordinances to support itself and the building inspector it should do something about it now.

In our T.R.A. program we finished Big Rock Road and we feel it is a big improvement over the narrow rough road that was there before. In the many years I have worked for the highway department the only real reconstruction work has been done with T.R.A. funds. Inasmuch as T.R.A. funds are limited sometimes it takes several years to complete a road. To those who do not understand the term, T.R.A. I will try to explain. Town Road Aid (T.R.A.) are state funds allotted for road aid. The state tells the Town how much to raise and they add about seven times the amount to it. The money is spent by the Town under State supervision. Needless to say it is a big help.

The item in our budget noted as new construction is used each year for paving. We have now covered a section from the Portsmouth line on Elwyn Road through Foyes Corner, along Sagamore Road to Wallis Road, along Wallis Road to Washington Road, through Rye Center to Central Road, down Central Road to Locke Road. We have also covered Lang Road.

It is my hope that this work may be continued in the future.

The rest of our work involves Summer and Winter work which is more or less controlled by the weather, also, the various work that comes from other Town requirements.

CHARLES P. GORDON,
Highway Agent

Fire Chief's Report

To The Citizens of Rye:

The Fire Dept. has had another fairly quiet year with no serious fires. A good part of this due to home owners being fire conscious and alert. At the present loss of life in home fires, it is necessary for people to act quickly. To call your Fire Dept., to get everyone out of the house and not to go back in. You do not have to get near flames to get hurt. Smoke and heat can cut you down in a matter of seconds. Do not linger around in smoke without proper breathing equipment as smoke from many plastics is toxic.

With good times many become complacent and firemen are no exception, interest in training lags and we feel safe. I hope this year we may revive the interest and drive that has been so evident in the past. We have splendid opportunities for training both locally and statewide. Having the know how and being prepared is the best way to meet any problem that may arise.

With the advent of oil we are having fewer chimney fires there being only one this year, there were 5 building fires, 3 grass fires, 5 calls for overheated electric elements, 2 flooded oil burners, 1 gas heater blew back, 5 rubbish fires in back yards, 1 house trailer, 2 calls to brush dump, 2 overheated stoves, 3 calls to accidents and washed gasoline away from 2, fire in large electric sign caused by short circuit, 2 buildings struck by lightning, 2 fires in trees,

2 car fires, 3 persons locked out and needed assistance. We made one trip to Portsmouth and North Hampton made one trip to Rye under mutual aid.

The Firemen made out 291 permits for cooking fires at the beaches and 369 permits for outside burning. They also help take radio and telephone calls for the Police Dept. and receive calls and dispatch for the Ambulance Corps.

The Auxiliary is still active and doing good work.

To the people who have lived in this Town for a while finding your way around isn't much of a problem but to a stranger the layout of this Town seems to confound their every effort to a point where some can't even find their way out. The Fire and Police Depts. form the information bureau for the town and hardly a day goes by without several calls by people wanting to know how to locate persons and places, yes, even the way out.

CHARLES P. GORDON,
Fire Chief

CHARLES P. GORDON,
Fire Chief

Report of the Fire Warden

This year has brought to the Town of Rye something we have always worked for in our Forestry Department—no woods fires for the whole year!

When the ground is bare and dry we will continue our policy of no burning between the hours of 9:00 A.M. and 5:00 P.M.

Three hundred sixty nine permits were issued this year. To repeat last year's advice, we must be careful to:

1. Teach our children the danger in lighting matches.
2. Never discard lighted smoking material from a car or while walking through fields and woods.
3. Safely dispose of rubbish preferably at the Town Dump. If you must burn rubbish or brush: start your fire late in the day, after 5:00 P.M. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Thank you for helping us have a good year.

E. LEROY GREENE,
Forest Fire Warden

FINANCIAL REPORT 1966

Training Meeting, Exeter, N. H.	\$	21.80
---------------------------------	----	-------

E. LEROY GREENE,
*State of New Hampshire Fire
Warden for the Town of Rye*

Municipal Court

The Rye Municipal Court entered and disposed of 218 cases this past year.

The majority of the cases were brought in by the Rye Police Department. There were only eleven cases

brought in by the New Hampshire State Police and twenty-one by the New Hampshire Fish and Game Department.

There were two cases which were classified as felonies and brought by the local Police Department. Both cases were bound over to the Rockingham Superior Court for final disposition. The remaining 216 cases were classified as misdemeanors falling within the jurisdiction of the Municipal Court. The offenses were mostly motor vehicle violations occurring within the Township of Rye and ranging from operating while being intoxicated to stop sign violations.

Under the direction of the Administrative Committee for District and Municipal Courts, all forms, both criminal and civil, have been replaced with new ones. This replacement was made with the approval of the New Hampshire Supreme Court.

The Court would like to thank the Selectmen, Police Department and other law enforcement agencies for their cooperation during the past year.

Respectfully submitted,

CHRISTOPHER S. CHRISTO,
Clerk

Rye Police Department

To The Citizens of Rye:

I wish to express my thanks to everyone who assisted this department during this past year.

I would like to remind the residents who make use of the restricted parking areas at the beach that the parking permits have to be renewed each year. Please note that the Town Ordinance forbids overnite parking on any public street or highway between November 1st and April 15th. This is to help the Highway Department in their work of snow removal.

Thomas L. Mallory was appointed as a regular member of this Department on July 1st. He replaced Charles Fernald who resigned. This Department is in need of special police officers. They must be over 21 years old, residents of Rye and willing to work and learn.

The following is a list of some of the offenses and miscellaneous items that were handled by this department during the past year:

COURT CASES

Criminal:

Minors with beer or liquor in their possession	27
Selling or procuring beer or liquor for minors	1
Breaking and Entering	2
Rubbish on Highway	1
Town Ordinance violations	2
Larceny (over \$50.00)	1
Malicious Damage	2
Bastardy	1
Trespassing	1
Drunk	1

Motor Vehicle Violations:

Speeding	38
Solid Line	31
Stop Sign	41
Operating Unregistered vehicle	2
Operating without license	7
Operating uninspected vehicle	7
Operating to endanger	4
Driving while intoxicated	4
Muffler violations	1
Misuse of plates	2
Operating after suspension or revocation	3
Leaving scene of accident	1
Operating without lights after dark	1
Failing to stop for a police officer	1
Obstructing Operator's view	1

183

Miscellaneous:

Juvenile Cases	23
Motor Vehicle warnings	170
Suspension of Operators license	14
Accidents investigated	77
Parking tags issued (fines)	472
Parking tags issued (courtesy)	60
Beach Parking Permits issued	314

Complaints received and investigated	642
Stolen cars recovered	4
Beach Fire Permits checked	250
Pistol Permits issued	5
Summons Served for other Departments	10
Closed cottages and houses inspected	690
Dog cases handled	90
Emergency messages delivered	22
Doors and windows found open	27
Malicious Damage	57

Planning Board

After nearly three years of work by the Planning Board, the completely revised Zoning Ordinance was submitted to the voters at the last Town Meeting held in March 1966. It was rejected by an overwhelming and unexpected margin, about five (5) negative votes to every affirmative vote. This was understandably a serious disappointment and setback to the Planning Board because seldom has so much good effort and material been rejected by so many when a real need existed and they the voters stood only to gain by signifying majority approval and acceptance. However, it is now felt that the voter's rejection will be only of a temporary nature, especially if further careful attention is paid to the positive objection made to several provisions of the proposed Ordinance a year ago. It

is intended to give this very careful attention.

We are now scheduling meetings for a subsequent revision of the Zoning Ordinance. Our schedule provides for presentation to the voters at the Town Meeting in March, 1968. We now approach this new revision with renewed optimism and confidence.

I would be remiss if I failed to mention the tremendous contribution to the town made by my predecessor, Robert O'Brien. The loss of his services necessitated by a combination of personal and business circumstances will be felt by every citizen of our town and area. He was (and I would expect again be) an outstanding, selfless public servant. No more can be said of any citizen. To the credit side of our ledger is the acceptance of appointment to the Planning Board by Charles V. Tallman of Rye Beach. The Board welcomes Mr. Tallman to its membership and looks forward to a most pleasant and productive association. As the newest member of the Board, Mr. Tallman will be vested with and assume the title, responsibilities and duties of Clerk.

The Rye Planning Board looks forward with much pleasure to another year of satisfying service to the Town of Rye. We hope to not only meet but surpass your expectations.

Inquiry concerning Zoning Ordinance questions, problems and etc., may be made at any reasonable time of the Chairman, the Clerk or any member of the Board for referral where necessary to the full Board at its next scheduled meeting. You are encouraged to do so.

Respectfully,

LEON H. VALLEY, Chairman
Rye Planning Board
Rye, New Hampshire

Report of the Board of Adjustment

The Rye Zoning Board of Adjustment meets in the Rye Town Hall at 7:30 P.M. on the second Tuesday of each month. In addition Public Hearings are held as required, due notice of which is published in the Portsmouth newspaper.

Respectfully submitted,

L. S. STEWART, Chairman

Report of Library Trustees

At the Town meeting on March 8, 1966, the Town voted to authorize an expenditure of \$60,000.00 for an addition to the rear of the present library building. The New Hampshire State Library Commission, at the request of the Rye trustees, had agreed to grant 25 per cent of the cost of the addition, contingent on the town appropriating \$45,000.00 for this purpose. The grant of \$15,000.00 was subsequently raised to \$19,500.00, thus making available a total of \$64,500.00 for the addition. The board of Library Trustees believes that this decision of the citizens of Rye is a forward-looking one. Libraries are not only repositories for books, they are an essential part of our educational system contributing growth of knowledge and providing use of leisure time which will add to personal and social well-being. Over three thousand square feet will be added to the library, providing much needed space for books and reading areas as well as for the staff work-room.

The Trustees are giving consideration to opening the library one morning a week, in accordance with the suggestion of the New Hampshire State Library. Such hours might appeal to mothers of school children who would be more free to visit the library during the morning.

Also the possibility of forming the "Friends of the Rye

Public Library" is being investigated. Over 40 New Hampshire libraries have organized "Friends of the Library" as valuable supporting groups. Frequently they raise money to supplement inadequate budgets. Sometimes they offer volunteer help. Friends groups should reach out to all segments of the community and be concerned with the library's part in the development of the community as a whole. Friends of the Library has no legal responsibility and are guided by the trustees and the librarian.

Additional physical facilities will require an increased budget to defray operating expenses. The budget for a town of 3,500 should be about \$12,250 for the library. This is based on \$3.50 per capita and is the minimum recommendation of the American Library Association. The New Hampshire State Library, in its 1962 report on "A Look at the Rye Public Library", suggests that every effort should be made over a period of years to achieve this level of support. Town support should be increased from \$7,213.00 (1966) by \$3,400.00 to \$10,613.00. The State Library recommends spending for books 20 per cent of a small library's budget, based on \$3.50 per capita. With this budget for books, about 500 titles could be purchased annually.

Adoption of a formal statement of library objectives and a personnel policy would define the role of the library and delineate the program required to make it effective. The trustees, with the librarian, are planning to study these objectives during the coming year.

The Trustees believe the town is very fortunate in have a professionally trained librarian. Few communities comparable to the size of Rye enjoy the advantage. The assistant librarian is well qualified for her position. She has taken training courses offered in this State. Both librarians and also the trustees have attended regional meetings and workshops during 1966. Mrs. Greene served as president of the New Hampshire Library Trustees Association.

Respectfully submitted.

JOHN L. PARSONS,
THEODOSIA WYATT,
ELIZABETH A. GREENE,
Trustees

Rye Library Building Report

Directly after the annual Town Meeting of 1966 had authorized an addition to the Library and the bond issue to finance it, the Trustees, Selectmen, and a committee of citizens, who had been invited to join in planning for the building, met and approved the detailed plans drawn by Edward B. Miles, architect, of Exeter. The contract was awarded, after public bidding, to the C & S Construction Company, Inc., of Kittery, which firm was the lowest bidder on the project.

The contract was awarded at a higher figure than the Trustees had hoped would be necessary, but some adjustments in the plans and an additional grant of \$4,-500.00 by the State from Federal funds made it possible to include practically all of the original plans. This would not have been possible, however, without very generous donations from four local residents. These included the installation of a septic tank with drainage fields, a fire alarm system connected directly to the firehouse, a complete charging desk installation, and \$500.00 towards equipping the staff workroom.

The Trustees wish to thank Carroll W. Brown, Richard F. Cady, John Paul Hayes, Jr., and William M. Varrell, who served on the Building Committee, for the help and advice they have given us. In addition, to meeting with the Trustees and Staff, they have made constant inspection visits to the work.

At this writing, the outside work is practically finished, and the Trustees anticipate that the inside will be

completed and available for use by early March. Both the Trustees and Staff are extremely pleased with the space and facilities which will be created by the addition. We urge all of you visit and inspect your Library, and to make use of the expanded facilities and services it offers to you.

Respectfully submitted,

JOHN L. PARSONS,
THEODOSIA WYATT,
ELIZABETH A. GREENE,

Librarian's Report

The year 1966 has been one of upheaval at the Rye Library, but it has also been one of great progress. At the March Town Meeting the voters gave their approval to the proposed plans for an addition to the library building. Soon after this a building committee was appointed and bids were let out. The bids were higher than anticipated and necessitated much reviewing of plans and curtailing of some desirable features. However, very generous gifts from four Rye residents made possible the inclusion of several of these features and we appreciate this very much. A book lift from basement to attic had to be omitted, but the shaft for this has been built and it is hoped that some time in the future funds for the book lift may be forthcoming. The contract was awarded to the C. & S. Construction Company of Kittery, Maine. Actual construction began in August and has progressed steadily since. The workmen have done everything in their power to inconvenience the library staff as little as possible. However, this type of construction could not possibly be accomplished without confusion and disorder. For a period of several months we have been without a workroom, toilet facilities, and stairs to attic and cellar. However, to date, the Library has not been closed a day because of the construction. Some of our services have had to be curtailed somewhat. Back numbers of periodicals, filed in the basement, have been inaccessible and, therefore, could not be circulated. Because of lack of space and work room, book buying and borrowing from the Bookmobile was reduced somewhat during the past few months. Our patrons have been patient and understanding and look forward, as we do, to the added facilities and wonderful improvement which will soon be ours to enjoy.

Despite existing conditions, our circulation this year showed an increase over that of 1965. Of the 27,670 books circulated, 10,195 were children's books, 11,059 adult fiction, and 6,416 adult non-fiction. 227 of the adult non-fiction books circulated were borrowed, through

the interlibrary loan service of the State Library, in answer to specific requests from patrons. This very superior service is available to any patron who has need of special material not in our local library. During the year we also borrowed from the State Bookmobile 566 books to supplement those on our own shelves.

Each year there is an increasing amount of reference work which brings with it the need for more encyclopedias and other reference material. With more space available for such books, we hope to improve and enlarge our reference collection a great deal in the next few years. As in 1965, the Rye Library, as an Affiliated Library in the Statewide Library Development Program, will soon receive under the state appropriation \$100.00 grant-in-aid to be used for basic reference books. We have chosen to acquire from this source a current edition of Compton's Pictured Encyclopedia.

A fine new library at the Rye Junior High School will help to alleviate the pressure put upon the town library by the requirements of our school-children in the past few years. The two libraries, by working together and supplementing each other's resources and hours of service, should be able to offer the young people of Rye a very adequate library background.

We would like to express here our thanks and sincere appreciation to the many persons who have generously contributed money, books, and current magazines to the Rye Library during the past year. It is not possible to enumerate all of these in this report, but several should be mentioned. Mrs. Thomas F. Nickerson, early in the year, gave \$25.00 for the purchase of books in memory of her husband. Attractive replacement copies of many of the classics have been acquired from this fund. Another gift of \$25.00 was received from Mrs. Paul Broderick, for many years a summer resident of Rye Beach. This sum was given by Rye friends in memory of her son, Lt. JG John T. Broderick, USNR. At Mrs. Broderick's suggestion, we are purchasing from this a number of books

about the sea and sailing. The Misses Meredith Stout, Virginia and Barbara Ferland presented to the Library enough money to purchase a fine new book for our children's collection. The money was raised from an "odds and ends" sale which the three girls conducted. Father Abrahams, Librarian at St. Francis College, invited us to look over a large collection of books which consisted of duplicates and other books no longer needed in the college library. From these we selected quite a number for future use and we are most appreciative of this interest in the town library. The Rye Tuesday Club once again presented \$10.00 to the Rye Library. We are very grateful for the continued interest of this organization.

Mrs. Clark Leach, our Assistant Librarian, has done an outstanding job this year under great difficulties. During my illness and hospitalization last spring, she assumed much added responsibility and worked many extra hours. We were fortunate to secure the services of Mrs. Norman Cameron to assist Mrs. Leach at that time and to work during vacations. She has proved herself to be a cheerful and willing worker. We are also grateful for the help given us by our former Librarian, Miss Marjorie Chapman, and the volunteer work of some of our young people.

Respectfully submitted,

HELEN H. TREFETHEN
Librarian

Rye Ambulance Corps, Inc.

The Rye Ambulance Corps has completed five years of service to the Town. The highly trained men and women serve the Town 24 hours a day and 7 days a week. Their only pay is personal satisfaction. In these past 5 years a total of 544 trips were completed.

First Aid training is the order of business at the weekly meetings. All members hold a Red Cross advanced training card and some members are currently working on their Instructor of First Aid, qualifications. Meetings are held each Wednesday night at 8:00 P.M. and the public is invited.

Grateful acknowledgement is made to our Commander and Deputy Commanders; Dr. Sidney Baker, Dr. Isaac Katz, Dr. William Bradley, Dr. Chien-Min Chen, also to the other fine doctors from the Portsmouth area that gave of their time to instruct in the latest methods of life saving.

In the year 1966 we made 107 trips. They include trips to the following hospitals:

Portsmouth Hospital	70
Exeter Hospital	28
Deaconness Hospital, Boston	2
Naval Hospital, Kittery	2
Baker Memorial, Boston	1
Brentwood Hospital	1
Salem Mass. Hospital	1
Concord State Hospital	1
Children's Hospital	1

We had a subscription membership of 576. The subscription rate will remain \$3.00 per family, from February to February of each year. In addition all contributions are gratefully accepted and all being applied to the ever growing fund for the purchase of a new ambulance.

To the following we say "Thank You": Mrs. Jen-

nie Perry, Richard Eaton, Edwin Bromfield and Leonard Brown, for the wonderful cooperation in dispatching the ambulance crews.

Respectfully submitted,

ORVILLE C. SIMONDS, Pres.
Rye Ambulance Corps, Inc.

REPORT OF THE **Rye Recreation Commission**

Since its establishment in 1965 the Recreation Commission has been working to develop the area off Locke Road so that recreation facilities may be set up there. This year, in summer, the area was open on a daily basis. The picnic area was functioning, with permits available and toilet facilities provided. By fall the new activities field was grassed over. This was a big project involving tree cutting, land clearing, extensive grading, loaming and seeding and has been a valuable addition to the area. A spillway has been added to the pond to control the flow of water. Other improvements this year have been:

1. The sign on Locke Road which was made by the boys in the Rye Junior High School Manual Arts classes.
2. A gate at the area entrance.
3. A well in the activities field.
4. Playground equipment, contributed by the Rye Junior Women's Club.
5. A flagpole and flag, contributed and dedicated by the V.F.W. on the fourth of July.
6. A perimeter path which is in construction.

At present a recreation planner at U.N.H. is drawing up a long range plan for development of recreation facilities. This is being done so that the Town may be more eligible to receive federal recreation funds.

In the past year a Rye Recreation Council has been set up by the Commission. Each organization in the community has been asked to send a representative to meet quarterly with the Commission in order that: more townspeople may become familiar with what is being done in the Recreation Area, and the Commission may have the opinions and suggestions of a larger number of people.

Contributions of at least \$3,000.00 value have been received this year. In addition to those listed there have been many more in material, money and labor from local individuals, firms and organizations. We very much appreciate this generous support.

For the past two years we have worked on basic land development. If we are to have recreation facilities it is evident that they must come from Town appropriations. Therefore, in 1967, in our budget, we are asking for funds for specific facilities as well as for maintenance, planning and a recreation program.

Recreation Commission members are enthusiastic about the Rye Recreation area and what it can contribute now and in the future to the overall benefits of living in Rye. We continue to make a coordinated effort to work in the best interest of the community. We hope our efforts will meet with your support.

LEON H. VALLEY

Rye Conservation Commission

During the year 1966 this commission has held 15 meetings: 1 open meeting (see report of 1965), 2 work meetings and 12 regular meetings.

Our program of education was initially activated by sending out 500 booklets to as many families of Rye. The booklet entitled "A Heritage of Beauty and Value", explained the value, the threat, the benefit and other information, about the salt marshes. This distribution was made possible through the co-operation of our Selectmen, The Massachusetts Audubon Society, and the Audubon Society of New Hampshire, the last named underwriting the cost to us of the booklets. When more funds can be made available we will see that every family in Rye receives one of these timely pamphlets.

There are areas in Rye which we would recommend be set aside by reason of value in natural resources, or for development of wildlife habitat.

One such area is Belly Hack bog, through which runs Berry Brook crossing beneath Sagamore Road, down to the marshes. The commission is currently involved in a concerted project to develop this spot for wildfowl habitat.

The Rye Conservation Commission was adopted for the promotion and development of our natural resources and for the protection of the watersheds of our town. This we are attempting to do.

We recommend at this time that the sum of \$500.00 be included in the Town Budget as a working fund for this commission to help carry out our purposes.

We cordially invite interested or concerned Townspeople to attend our monthly meetings, to express views or to learn more about our activities.

More open meetings are on our agenda, with speakers and film concerning land use and related topics. Dates

will be announced.

Cemetery Trustees

Report of Trustees of Trust Funds

This year the statistical report of the trust funds has been changed from previous years. The library and miscellaneous funds are listed in detail showing each fund and its income and expenditure. The changes have been made in reporting the cemetery funds. Each year these have been growing in number, and last year reporting these took up 12 pages of the town report. This year, contrary to the old system, only subtotals are shown together with a list of each new fund created during the calendar year 1966. A complete list of each cemetery fund will be posted at the town office.

This year twenty-one new perpetual care cemetery funds were created. The library funds produced \$1,316.09, which was turned over to the Library Trustees. The fol-

lowing changes have been made in the Miscellaneous funds; \$5,000.00 has been added to the Town of Rye Capital Reserve Fund for the purchase of a new fire truck. The Rye Beach District created a new capital reserve fund in the amount of \$6,000.00. A new Rye Recreation Fund has been created by donations received from the Rye Grange, Rye Tuesday Club and John Iafolla Charitable Foundation.

Respectfully submitted

MELVIN R. LOW,
JOHN L. PARSONS,
RALPH W. EATON,
Trustees

1966 REPRINT

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Rye in the County of Rockingham in said State, qualified to vote in Town Affairs:

And to the Inhabitants of the School District in said Town of Rye, qualified to vote upon District Affairs, for the limited purpose of electing officers of the Rye School District at the annual Town Meeting, in accordance with procedures authorized by statute (RSA 197:1 a et, seq.) and adopted by the District at its March, 1962 Annual Meeting under Article 2 of that warrant.

You are hereby notified to meet at the Town Hall in said Rye on Tuesday the eighth day of March, next at ten o'clock in the forenoon, to vote upon the following subject:

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. To choose all necessary officers for the Rye School District in accordance with the statutory procedure adopted by said District at its March, 1962 annual meeting, to wit:

- a. To choose a Moderator for the Rye School District for the ensuing year.
- b. To choose a Clerk for the Rye School District for the ensuing year.
- c. To choose a member of the Rye School Board for the ensuing three years.
- d. To choose a member of the Rye School Board for the ensuing one year.
- e. To choose a Treasurer for the Rye School District for the ensuing year.
- f. To choose two Auditors for the ensuing year.

Article 3. On Petition of Robert V. O'Brien and ninety nine others:

Shall permission be granted to introduce fluorides into the Town of Rye water supplies.

The following subjects will be voted upon at the business meeting which will be held at eight o'clock P.M.:

Article 4. To see if the Town will authorize the Selectmen to hire money from the Trustees of Trust Funds.

Article 5. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.

Article 6. To see if the Town will vote to allow five percent discount on all property taxes on or before October 1, 1966.

Article 7. To see if the Town will vote to raise and appropriate the sum of \$400.00 for the Portsmouth-Kittery Armed Services Committee as the Town's contribution to support the work of said committee in support of the Portsmouth Naval Shipyard.

Article 8. To see if the Town will vote to authorize the Selectmen to lease Sawyer's Beach, so called, from the owners for another year.

Article 9. To see if the Town will vote to purchase an "After Burner" or smoke eliminator, so called to install on the Town's cone type refuse burner and to raise and appropriate sixteen thousand dollars (\$16,000.00) to defray the cost of purchase and erection thereof.

Article 10. To see if the Town will vote to authorize the Selectmen to purchase land for a new dump site, construct roads to same, build power lines thereto, install or obtain an adequate source of water for the operation and protection of same, dismantle the present refuse burner and erect it at the new site and to do all other things desirable or essential to accomplish this changeover to a new dump site, and to raise and appropriate the sum of thirty thousand (\$30,000.00) dollars to cover the cost thereof by issuing town notes or bonds in accordance with RSA Chapter 33, the "Municipal Finance Act," such actions to be taken and such funds to be so expended for this purpose only in the event that the final decree of the court directs that the Town discontinue the use of the present dump site or that the Town discontinue the use of the refuse burner at such site, or both.

Article 11. To see if the Town will vote to rebuild the bridge at Rye Harbor designated as bridge #1335/075 by the State of New Hampshire Department of Public Works and

Highways at an estimated cost of sixty five thousand five hundred dollars (\$65,500.00) and to vote to raise and appropriate the sum of thirty nine thousands three hundred dollars (\$39,300.00) as the Town's share of the cost by issuing town notes or bonds in accordance with RSA Chapter 33 the "Municipal Finance Act."

Article 12. To see if the Town will vote to raise and appropriate sixty thousand dollars (\$60,000.00) for the purpose of constructing an addition to the Rye Public Library in accordance with certain plans and specifications prepared by Edward B. Miles, Architect and to raise and appropriate the sum of forty five thousand dollars (\$45,000.00) by issuing town notes or bonds in accordance with RSA Chapter 33 the "Municipal Finance Act" as the Town's share of the cost and to accept the sum of fifteen thousand dollars (\$15,000.00) from the State of New Hampshire as its share thereof.

Article 13. To see if the Town will vote to authorize the Selectmen to convey, without charge, to the Rye School District those two parcels of land upon which the Center School, so called, is situated and being the same premises conveyed to the Town by two deeds, namely deed of Elizabeth W. Clemons to the Town of Rye dated June 27, 1918, recorded in the Rockingham County Registry of Deeds, Book 729, Page 3, and deed of Elizabeth W. Clemons to the Town of Rye dated August 14, 1933, recorded in said Deeds, Book 888, Page 117.

Article 14. On Petition of William E. Ashley and fourteen others:

To see if the people will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) for the purpose of initiating the necessary action to obtain legal and unrestricted title to that section of ocean front property commonly known as Jenness Beach and more specifically described as Lot 16 on Plan 18 of Rye Tax Map.

Article 15. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Article 16. On Petition of Elizabeth A. Greene and nine others:

To see if the town will vote to create an Historic District whose boundaries shall be those of the Central Village District as shown in the proposed zoning map prepared by the Rye Planning Board and submitted to the 1966 Town Meeting; and to create a seven member Historic District Commission; and to

further authorize the Selectmen to appoint members to this Commission as provided in Chapter 178 of the New Hampshire Laws of 1963. Said Historic District and Historic District Commission shall have all the powers and duties established by Chapter 178 of the New Hampshire Laws of 1963.

Article 17. On Petition of Beatrice Wheeler and nine others:

To see if the town will vote to add the following section to the Beach Ordinance approved by the Town at the March 1954 Town Meeting:

Section II, No dogs shall be allowed on the beaches of the Town of Rye from June 1st to October 1st of each year, between the hours of 8 A.M. to 8 P.M.

Article 18. To transact any other business that may legally come before this meeting.

Polls will not close before six o'clock P. M.

Business meeting at eight o'clock P. M.

Given under our hands and seal, this seventeenth day of February in the year of our Lord Nineteen hundred and sixty-six.

ROBERT B. GOSS,
EDWARD L. GREENE,
RALPH F. HAMMOND,
Selectmen of Rye

A true copy of Warrant—Attest:

ROBERT B. GOSS,
EDWARD L. GREENE,
RALPH F. HAMMOND,
Selectmen of Rye
